SCRAP OF
FRESH FREESIA

Inks: FRESH FREESIA, BALMY BLUE, STARRY SKY and SMOKY SLATE.

1 piece of STARRY SKY cardstock cut at 4" x 5 ¼" and a scrap for the ornament "cap".

WINTER SNOW embossing folder.

For Snowy Sky: Dr. Ph. Martin's Bleed Proof White – Scoop a tiny bit out of the jar with a toothpick and put into a small dish. Mix with a small amount of water to make a thinner consistency. I used a small "fan" brush, but any brush will work. Dip the end of the fan brush into the ink and tap the brush handle against your finger to give a splatter effect.

You could also use a white gel pen.

Stamp Sets: NATURE SINGS and SNOW FRONT.

Dies: LAYERING CIRCLES FRAMELITS Dies (Larger ornament outline die) and RECTANGLE STITCHED FRAMELITS Dies. (Sentiment.)

Inks: DAFFODIL DELIGHT, FRESH FREESIA, BALMY BLUE and SMOKY SLATE.

1 piece of BALMY BLUE cardstock cut at 4" x 5 ¼" and a scrap for the ornament "cap".
