

# Stampin' Up! Stitched Stocking

getcraftywithsally.com

**Sally Poole – Independent Stampin' Up! Demonstrator**

## **Cardstock measurements:**

1 piece of White cardstock cut at 4 ¼" x 11". Score at 5 ½".

1 piece of SHADED SPRUCE cardstock cut at 4 1/8" x 5 3/8". Emboss. I used the CHRISTMAS TIDINGS Embossing Folder.

1 piece of White cardstock cut at 4 ¼" x 4 ¼". Die cut and emboss. I used the 2<sup>nd</sup> largest scalloped circle die in the SCALLOPED BLOOMS die set, and the SWIRLS OF MAGIC Embossing Folder.

1 piece of SHADED SPRUCE cardstock cut at 3 ½" x 5". Die cut the large, out stocking.

2 pieces of coordinating Designer Series Paper cut at 3 ¼" x 4 ¼". Die cut the smaller stocking. I used papers from the JOY OF CHRISTMAS pack.

1 piece of VELVET SHEET paper cut at 7/8" x 2 ¼". Die cut the stocking cuff.

1 piece of SHADED SPRUCE cardstock cut at 1" x 2 5/8".

1 scrap of White cardstock. (Sentiment.) I die cut it with the Rectangle Stitched die that measures approximately 1" x 3". (Outside edges.) I didn't cut the sentiment that wide. (See "Maximize your die cuts" video – linked below the YouTube video.)

Paper scraps: REAL RED and OLD OLIVE. (Holly leaves and berries.)

Scrap of Designer Series Paper for "Star". (Optional.)
